No.01/1001/Misc-Mines/2016/ part/433

Dated: 07 /06/ 2021

NOTIFICATION

Sub: Stoppage of transportation by road during monsoon season

Whereas, the monsoon season has started in Goa from June 2021.

And whereas, transportation of ore by road during monsoon season may jeopardize the safety of citizens using the road network in the vicinity of mining leases or transportation route of such minerals.

Now therefore, in the interest of public safety, the transportation of mineral by road is hereby stopped until further orders, except for captive/domestic consumption or on specific order of Collector due to the position of jetty vis-a-vis as mining lease.

This notification is issued in public interest as mandated by point no. 11 of Goa Mineral Policy 2013.
