No. DMG/01/Reg.MM/2018/Mines/ 6631 Date: 10/10/2018

**Sub: Urgency of POS terminal for production, and storage maintaining and issue transit ore monitoring system and regulation of Minor mineral.**

The Department is in the process of transition from manual issuance of transit passes, permits etc to the electronically generated passes/permits based upon modules developed by the Department.

The Department has developed the modules and software which can run on POS terminals which will help the Department in efficient collection of royalties, regulation of transportation activities, curbing of illegal activities & transportation of minor mineral and above all help in ease of doing business for the lease holders/quarry permit holders and also in attainment of objective of zero tolerance to corruption.

Hence, in furtherance of above mentioned objectives all lease holders/quarry owners, permit holders are hereby directed to coordinate with department with regards implementation of new mechanism including procurement of POS terminal and installation modules and software thereon.

Place : Panaji-Goa

Dated : 10/10/2018

  
(Prasanna A. Acharya)  
Director of Mines & Geology
