

# DISTRICT MINERAL FOUNDATION (TRUST)

DMF Trusts were instituted under the Mines and Minerals (Development and Regulation) (MMDR) Amendment Act 2015 as non-profit trusts to work for the interest and benefit of persons and areas affected by mining-related operations.

The objective of District Mineral Foundation trust is to work for the benefit of the people and areas affected by mining related operations, in such manner as may be prescribed by the State Government.

**Pradhan Mantri Khanij Kshetra Kalyan Yojana - PMKKKY**

PMKKKY is a scheme by the Ministry of Mines for the welfare of people & affected areas by using the funds accrued under the respective District Mineral Foundation (Trusts) (North Goa/ South Goa).

## Objectives

- To implement various developmental and welfare projects/programs in mining-affected areas that complement the existing ongoing schemes/projects of the State and Central Government.
- To minimize/mitigate the adverse impacts, during and after mining on the environment, health and socio-economics of people in mining districts.
- To ensure long-term sustainable livelihoods for the affected people in mining areas.

Share from Royalty of the Mined Ore

DMF Trust fund

Mining affected people

## SCOPE OF DMF (TRUST)

At least 60% of the fund will be utilized for the following "High Priority Areas"

### 6 CLEAN WATER AND SANITATION

#### A. Drinking water supply:

Centralized purification systems, water treatment plants, water distribution network including standalone facilities for drinking water, laying of piped water supply system.

#### B. Environment preservation and pollution control measures:

Effluent treatment plants, prevention of pollution of streams, lakes, ponds, ground water, etc., measures for controlling air and dust pollution caused by mining operations and dump, mine drainage system, mine pollution prevention technologies, and measures for working or abandoned mines and other air, water and surface pollution control mechanisms required for environment-friendly and sustainable mine development.

### 13 CLIMATE ACTION

### 3 GOOD HEALTH AND WELL-BEING

C. Health care: The focus must on creation of primary/ secondary health care facilities in the affected areas. Provision of necessary staffing, equipment, supplies etc., to design special infrastructure to take care of mining related illnesses and diseases. Group insurance schemes for health care.

#### D. Education:

Construction of school buildings, additional classrooms, Laboratories, Libraries, Art & Craft rooms, Toilet blocks, Drinking water provisions, hostels for students/ teachers, sports infrastructure, engagement of teachers / staff, e - learning setup, other arrangement of transport facilities and nutrition related programmes.

### 4 QUALITY EDUCATION

### WELFARE OF WOMEN AND CHILDREN

#### E. Welfare of Women and Children:

Special programmes for addressing problems of maternal and child health, malnutrition, infectious diseases etc.

## SCOPE OF DMF (TRUST)

### 8 DECENT WORK AND ECONOMIC GROWTH

G. Livelihood and Skill development: Skill development for livelihood support, income generation and economic activities for local eligible persons. The projects may include training, development of skill development centre, self-employment schemes, support to SHG's and provision of forward and backward linkages for self-employment economic activities.

H. Sanitation: Collection, transportation & disposal of waste, cleaning of public place, provision of proper drainage & sewage treatment plant, provision for disposal of faecal sludge, provision of toilets and other related activities.

Rest of the fund will be utilized for the following "Other Priority Areas "

### 11 SUSTAINABLE CITIES AND COMMUNITIES

a. Physical Infrastructure: Providing required physical infrastructure - road, bridges, railways and water way projects with priority in directly affected areas.

b. Irrigation: Developing alternate sources of irrigation, adoption of suitable and advanced irrigation techniques.

### 7 AFFORDABLE AND CLEAN ENERGY

c. Energy and Watershed Development: Development of alternate source of energy (including micro-hydel) and rainwater harvesting systems, augmentation of integrated watershed management practices, development of orchards, integrated farming and economic forestry and restoration of catchments.

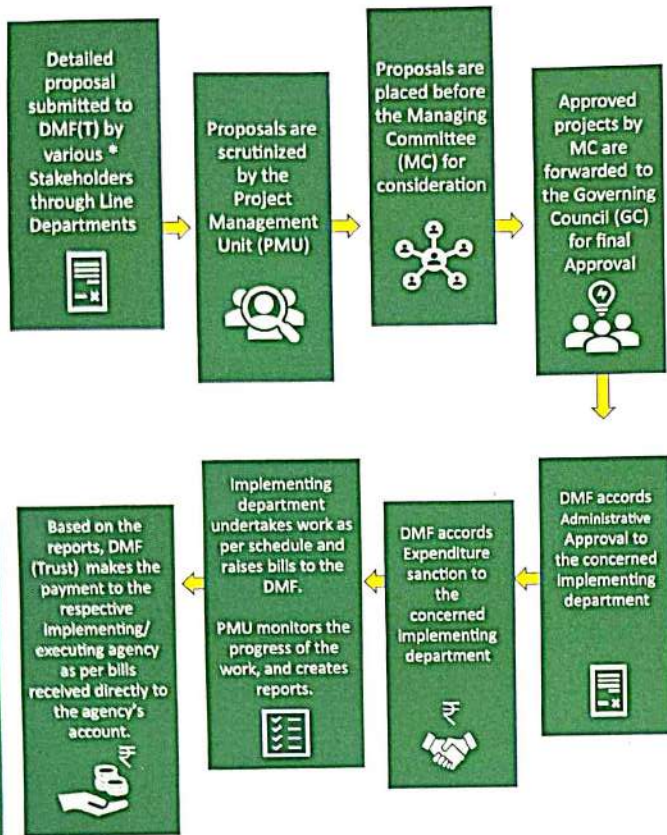

d. Any other measures for enhancing environmental quality in mining district.

### Enhancing Environmental Quality in Mining District

## ADMINISTRATIVE PROCESS OF APPROVING THE PROJECTS

4

\* The Village Panchayats, Zilla Parishads & the Municipal councils, Govt. Depts., Boards, Corporations & State or Central Public Sector Undertakings or Individual Proposals routed through any of these agencies.

### DMF FUND

The Ministry of Mines has notified the Mines and Minerals (Contribution to District Mineral Foundation Trust) Rules, 2015, on 17.9.2015, which prescribes the rate of contribution to DMF trust as follows:

- 10% of royalty in respect of mining leases granted on or after 12.1.2015; and
- 30% of royalty in respect of mining leases granted before 12.1.2015.

## DMF (TRUST)

5

### ADMINISTRATIVE STRUCTURE

#### 2-TIER MECHANISM FOR THE EFFECTIVE ADMINISTRATION OF DMF (TRUST)

1. Managing Committee
2. Governing Council

#### State Level Monitoring Committee

Each mining district has one District Mineral Foundation (Trust)

The Managing Committee consists of the Chairman (District Collector), Member Secretary (Deputy Director North & South DMF (Trust) from the Directorate of Mines & Geology) and Representatives from the different Government Departments as Member Trustees.

The Governing Council consists of Chairman (District Collector), Member Secretary (Deputy Director North & South DMF (Trust) from the Directorate of Mines & Geology), Hon'ble Member of Parliament, Hon'ble Members of Legislative Assembly, Non-Government Organization & Government Department Representatives.

Project Management Unit (PMU), helps DMF in planning supervising, monitoring works undertaken by the District Mineral Foundation (Trust) in each district.
