CHAPTER IV

13. *Scope of the District Mineral Foundation Trust.*— The District Mineral Foundation Trust shall work for the interest and benefits of person, and areas affected by the mining related operations and in particular shall focus on the following areas, as per priorities determined in the Perspective and annual District Mineral Foundation plans.

(1) High priority areas.— (a) *Drinking water supply*— Centralized purification systems, water treatment plants,

permanent/temporary water distribution network including standalone facilities for drinking water, laying of piped water supply system.

(b) Environment preservation and pollution control measures—Effluent treatment plants, prevention of pollution of streams, lakes, ponds, ground water, other water sources in the region, measure for controlling air and dust pollution caused by mining operations and dumps, mine drainage system, mine pollution prevention technologies, and measures for working or abandoned mines and other air, water & surface pollution control mechanisms required for environment-friendly and sustainable mine development.

However activities meant to be taken up under the “polluter pays principle” or as per the obligations of the industries under the environment management plan or mines management plan should not be taken up under District Mineral Foundation Trusts.

(c) *Health care*— The focus must be on creation of primary/secondary health care facilities in the affected areas. The emphasis should not be only on the creation of the health care infrastructure, but also on provision of necessary staffing, equipment and supplies required for making such facilities effective. To that extent, the effort should be to supplement and work in convergence with the existing health care infrastructure of the local bodies, State and Central Government. The expertise available with the National Institute of Miners’ Health may also be drawn upon to design special infrastructure needed to take care of mining related illnesses and diseases. Group Insurance Scheme for health care may be implemented for mining affected persons.

(d) *Education*— The focus must be on augmentation and development of resources and infrastructure for improving both secondary and elementary education. This may include construction of school

buildings, Additional class rooms, Laboratories, Libraries, Art and crafts room, Toilet blocks, Drinking water provisions, Residential Hostels for students/teachers in remote areas, sports infrastructure, engagement of teachers/other supporting staff, e-learning setup, other arrangement of transport facilities (bus/van/cycles/rickshaws/etc.) and nutrition related programmes.

(e) *Welfare of Women and Children*— Special programmes for addressing problems of maternal and child health, malnutrition, infectious diseases, etc. can be taken up under the PMKKKY.

(f) *Welfare of aged and disabled people*— Special programmes for welfare of aged and disabled people.

(g) *Livelihood & Skill development*— Skill development for livelihood support, income generation and economic activities for local eligible persons particularly around local resources such as agri-based, forest resources, horticulture etc. The projects/schemes may include training, development of skill development centers, self-employment schemes, support to vulnerable sections such as women/women groups/tribal groups, support to self help groups, placement oriented training to youth and provision of forward and backward linkages for such self-employment economic activities.

(h) *Sanitation*— Collection, transportation & disposal of waste, cleaning of public places, provision of proper drainage & Sewage Treatment Plant, provision for disposal of fecal sludge, provision of toilets and other related activities.

(2) *Other priority Areas*.— (a) *Physical infrastructure* — Providing required physical infrastructure — road, bridges, railways and waterways projects with priority in directly affected areas.

(b) *Irrigation*— Developing alternate sources of irrigation, adoption of suitable and advanced irrigation techniques.

(c) *Energy and Watershed Development*— Development of alternate source of energy (including micro-hydel) and rainwater harvesting systems, augmentation of integrated watershed management practices, development of orchards, integrated farming and economic forestry and restoration of catchments.

(d) Any other measures for enhancing environmental quality in mining district.

In addition to the above, the scope will include implementing the objectives specified in Pradhan Mantri Khanij Kshetra Kalyan Yojana which are not specifically enlisted herein;

CHAPTER V

14. *Utilization of Funds by District Mineral Foundation Trust*.— (a) Fifty percent of the amount received in terms of sub-sections (5) and (6) of section 9B during the financial year of the Act shall be invested by the District Mineral Foundation in fixed deposits or Government bonds/bank bonds. The interest earned on such investment to the extent of 90% may be utilized for carrying out the works specified in rule 13 and 10% of such interest shall be re-invested in long term investment so that the corpus of such fund remains permanently enhanced surpassing the period of exploitation of mineral ore and such fund shall be used in posterity for the benefit of generations to come thereby protecting the rights of the future generations and creating the inter generational equity.

(b) The remaining fifty percent of such amount shall also be utilized for carrying the works specified in rule 13, provided that 60% of such amount shall invariably be utilized for High Priority Areas with emphasis on infrastructural and other projects of permanent nature so that the benefits of such projects are enjoyed not only by the present generation but also by the generations to come.

(c) An amount not exceeding 2.5% of the annual receipts of the Foundation subject to an upper limit fixed by State Government may be utilized for administrative, supervisory and overhead costs of the Foundation.

CHAPTER VI

15. *Implementation of projects.*— (a) The District Mineral Foundation Trust may implement the projects consistent with its functions on its own accord or upon receipt of a project proposal from the Government or upon request from any Government Department.

(b) In implementation of the projects referred to in sub-rule (a), the District Mineral Foundation may devise its own procedure consistent with the provisions of the Act and the rules made there under.

(c) The projects shall be executed through Public Works Department, Water Resources Department, Forest Department, River and Navigation Department, Agriculture Department, Department of Animal Husbandry and Veterinary Services, Goa State Infrastructure and Development Corporation or any other Departments of the Government of Goa, as per the directions and decision of the District Mineral Foundation Trust.

(d) The District Mineral Foundation Trust shall periodically monitor implementation of the projects either by itself or by engaging services of any Government Department or an approved agency.

CHAPTER VII

16. *Annual Plan.*— The Managing Committee shall, at the beginning of each financial year, cause preparation of plans for short term projects and long term projects proposed to be undertaken by the District Mineral Foundation Trust in the relevant financial year, to be referred as the annual plan, together with details of the activities to be undertaken or completed by the District Mineral Foundation Trust during such time, the expected time for completion of the projects and cost for such projects.
