## **Press Note**

Directorate of Mines & Geology has extended the last date for receiving online applications from persons from the local community for grant of sand extraction permits in River Mandovi and River Zuari. The last date for submitting online applications is **10/01/2025**. Please visit the Directorate's website <https://dmg.goa.gov.in> for zone demarcation maps, SOP for the online applications and further details. For any technical assistance kindly contact DMG control room helpline No. 8882988000. The grant of permits is subject to the Environmental Clearance of the SEIAA.
