(Legislative Department)

New Delhi, the 19th May, 2023/Vaisakha
29, 1945 (Saka)

The Government of National Capital
Territory of Delhi (Amendment)
Ordinance, 2023

No. 1 of 2023

Promulgated by the President in the
Seventy-fourth Year of the Republic of India.

An Ordinance further to amend the
Government of National Capital Territory of
Delhi Act, 1991.

Whereas Delhi being the Capital of India
had been administered by the President of

India directly. A *sui generis* status was, however, conferred upon Delhi whereby it was retained as Union Territory but with legislature.

And Whereas, Article 239AA came to be introduced into the Constitution of India providing for various functional-administrative networked issues balancing the legitimate participation of the Union Government while conferring democratic existence of a legislature and a Council of Ministers having curtailed powers.

And Whereas, keeping in mind various reports of various Commissions and since Delhi is the capital city of the nation, the Constitution retained certain exclusive and plenary jurisdiction in the Parliament while incorporating Article 239 AA in general and Article 239AA[3][b] read with Article 239AA[7] in particular.

And Whereas, several important National and international institutions and authorities like the President, the Parliament, the Supreme Court, etc. and various constitutional functionaries, etc., as well as all foreign diplomatic missions, international agencies, etc., are located in Delhi. It is also a place to which high dignitaries from other nations pay official visits frequently and it is in the national interest that the highest possible standards should be maintained in the administration and governance of the national capital.

And Whereas, any decision taken or any event in the capital of the nation not only affects the residents of the national capital but also the rest of the country and at the same time has the potential of putting the national reputation, image, credibility and prestige at stake in the international global spectrum.

And Whereas, the national capital belongs to the entire nation and the entire nation is vitally interested in the Governance of the national capital. It is in the larger national interest that the people of entire country have some role in the administration of the national capital through the democratically elected Central Government.

And Whereas, Delhi as the national capital has a unique status and certain distinguishing features. There is a need to promote the national interests without compromising on the democratic aspirations of the residents of Delhi.

And Whereas, Article 1 of the Constitution declares that India, that is Bharat, shall be a Union of States and Union territories specified in the First Schedule;

And Whereas, clause (1) of article 239 empowers the President to administer every Union territory, to such extent as he thinks fit, acting through an administrator appointed by him with such designation as he may specify.

And Whereas, clause (1) of article 239AA of the Constitution, *inter alia*, mandates that the administrator of the Union territory of Delhi, shall be designated as the Lieutenant Governor of the National Capital Territory of Delhi.

And Whereas, in absence of any Parliamentary legislation dealing with the subject of services as contained in Entry 41 of List II of the Seventh Schedule in the National Capital Territory of Delhi (hereinafter referred to as NCTD) either under Article 239AA[3][b] or under Article 239AA[7] of the Constitution of India, the Hon'ble Supreme Court was required to consider a reference concerning the subject of services in NCTD.

And Whereas, in absence of any specific Parliamentary legislation dealing with the subject of services as contained in Entry 41 of List II of the Seventh Schedule specifically and in detail, the Hon'ble Supreme Court was pleased to pass judgment dated 11-05-2023 in C.A. No. 2357/2017 in the matter of Govt. of NCT of Delhi versus Union of India.

And Whereas, in view of its special status as a national capital, a scheme of administration has to be formulated by Parliamentary law, to balance both local and national democratic interests which are at stake, which would reflect the aspirations of the people through joint and collective responsibility or both the

Government of India and the Government of National Capital Territory of Delhi (hereinafter referred to as GNCTD).

And Whereas, with a view to give effect to the intent and purpose behind the provisions of Article 239AA, a permanent authority headed by the democratically elected Chief Minister of Delhi along with Chief Secretary, GNCTD the head of the administration representing the will of the officers of GNCTD and the Principal Secretary Home, GNCTD is being introduced to make recommendations to the Lieutenant Governor regarding matters concerning transfer posting, vigilance and other incidental matters. This would statutorily balance the interest of the nation with the interest of Union Territory of Delhi in administration of the capital by giving purposeful meaning to the manifestation of democratic will of people reposed both in the Central Government as well as the GNCTD.

And Whereas, with a view to give effect to the very intent and purpose behind the provisions of Article 239AA and retaining the active, meaningful and effective participation of the President of India in national interest, which is also a democratic will of the nation in the matter of governance of its capital in the question of posting, transfer and other allied matters relating to the officers/employees employed in the functioning of the GNCTD and while providing for the democratic governance of the Council of Ministers of the GNCTD, provisions are required to be made.

And Whereas, for the purpose giving effect to Article 239(1) read with Article 239AA and in exercise of powers of Article 239(1). Article 239AA[3][b] and Article 239AA[7] of the Constitution of India, which includes the power to supplementing the provisions under Article 239AA including the power to make suitable amendments thereof, an Ordinance namely the Government of National Capital Territory of Delhi (Amendment) Ordinance, 2023 is proposed to provide for a comprehensive scheme of administration of services deployed in the functioning of NCTD and other allied issues thereby balancing the local and

domestic interests of the people staying in the NCTD with the democratic will of the entire nation reflected through the President of India.

And Whereas, Parliament is not in session and the President is satisfied that circumstances exist which render it necessary for him to take immediate action.
