MEMORANDUM

Subject : Online registration of Weighbridge, Vessel and Creation of Route for Transportation

With regard to transportation of major minerals in the State of Goa, the applications for the following shall be received in online mode only on Bhumija Portal :-

1. Application for registration of vessel for export purpose.
2. Application for registration of Weighbridge.
3. Application for creation of transportation route based on approval granted by the Goa State Pollution Control Board.

This will be implemented with immediate effect.

Dr. S. Shanbhogue
(Director)

To,

The Goa Electronics Limited to make the system live on Bhumija portal and also upload this Memorandum on the Bhumija Portal as well as on the website of this Directorate.
