NOTICE

This is to inform, all the stakeholders, that the Ore Monitoring System “Khanij” of M/s Megasoft Systems is being replaced with the “Bhumija” Ore Monitoring by Goa Electronic Limited (GEL). Hence to facilitate process of data download and migration the current “Khanij” ore monitoring system of Megasoft will shut down operations from 28/10/2021 midnight 12.00 a.m. till 9.00 a.m. on 01/11/2021 when the Bhumija System of GEL will go live.

This is for kind information and necessary co-operation from all stakeholders.

Sd/-

(Vivek H.P., IAS)
Director of Mines & Geology

Date: 28/10/2021.

Place: Panaji Goa.
