## Department of Urban Development

Directorate of Municipal Administration

**Notification**

10/602/2013-DMA/338

The following Scheme called Fair Recreational Activity and non Competitive Involvement in Sports, Urban Connect Scheme 2013 is approved by the Government as a sub-scheme of the Integrated Development of Major Towns Scheme (IDMT) under the Department of Urban Development. The said scheme is published for the information of the public.

Fair Recreational Activity and non Competitive Involvement in Sports, Urban Connect Scheme 2013.

In Short: F.R.A.N.C.I.S URBAN CONNECT SCHEME 2013

A scheme of Assistance for the use of urban spaces for Recreation and Sport.

*Preamble.*—Urbanisation has caused deprivation of open spaces to the urban communities who predominantly stay in apartment blocks. For the rural kid, the environment around itself is a playground. But for the Urban counterpart, the opportunity of exposure to air and sunshine is slowly vanishing. Due to confinement in the apartments, the kids while away their time on video games, TV viewing, mobile phones and Internet. The impairment of their health as a result is a cause of concern.

The Government understands the limitations of urban communities in getting access to safe spaces for sport and recreation. Many of the town schools do not have any playgrounds to impart physical education or conduct sports activity. Those schools that do have spaces do not have the resources to develop the facilities and share it with the less fortunate.

To meet this situation and inculcate a strong sports, fitness and recreational culture in the development of the local urban

communities, the Government through this scheme intends to connect with the urban population by providing assistance in developing safe play areas. This Scheme shall operate within the provisions of the Integrated Development of Major Towns Scheme (IDMT).
