No. 01/1001/Misc-Mines/2016/849

Date : 27/06/2016

NOTIFICATION

Sub: Stoppage of transportation by road during monsoon season.

Whereas, the monsoon season has started from mid june 2016 in Goa.

And whereas, transportation of ore by road during monsoon season may jeopardize the safety of citizens using the road network in the vicinity of mining leases or transportation route of such minerals.

Now therefore, in the interest of public safety, the transportation of mineral by road is hereby stopped until further orders. This stoppage, however shall not affect transportation of mineral from jetties via barges till port by the lease holders, exporters or bidders.
