Memorandum

Subject: - Transportation of Iron Ore

This Department vide Order No.03/54/2021/Major/Mines/2945 dated 31-01-2023 has given directions to all the winning bidders/firms who are owning the cargo at primary/original location of the cargo auctioned through 27 e-auctions conducted by this Department from time to time. Accordingly, many firms owning the cargo have started lifting their cargo from primary/original location by taking the transit permit from this department. The GSPCB vide letter No. 8/28/18-PCB/706 Tech/18396 dated 06-02-2020 has informed that "The mining firm should manage the daily trips in staggered manner in consultation with DMG, so that traffic congestion is avoided at major junctions".

In view of above in order to avoid traffic congestion on village roads it is proposed to stagger the daily trips @ 20 trips per hour subject to maximum of 160 trips per day. The Goa Electronic Ltd is accordingly directed to restrict the movement of transportation on BHUMIJA Portal. All the transporters/firms/winning bidders/traders etc. are hereby directed to adhere to these instructions strictly. Any failure to comply with this instruction will be viewed seriously.

(Dr. S. Shanbhogue)

Director & Ex-officio Joint Secretary
