No. 03/54/2021/Major/Mines / 2945

Dated:- 31/01/2023

ORDER

Hitherto, this Directorate has sold iron ore/ROM lying at various locations in the State through twenty-seven e-auctions conducted from time to time. Although the e-auction procedure prescribes a maximum period of not more than 60 days to lift the cargo, it has been observed that some of the cargo is yet to be lifted from the original location by the winning bidders or by the persons holding the said cargo by virtue of sale by the winning bidder/s through a sale permit issued by this Directorate. In order to give one final opportunity to the persons still holding the cargo at the original location where it was at the time of e-auction, it has been decided by the Government that such cargo shall be lifted on or before 31st March 2023 positively, failing which the said cargo as well as the amount paid for the same shall stand forfeited without giving any further notice in this regard. Accordingly, the e-auction procedure in respect of twenty-seven e-auctions held so far stands amended to the extent mentioned herein.

This is issued with the approval of the Government vide U.O. No. 4437/F dated 27-01-2023

By order and in the name of
