Explanation.— The Beer manufactured by the pub-brewery/microbrewery per day shall be considered as an average daily production for the purpose of calculating the excise duty for the month as per the 100% production capacity of the unit per day or daily production, whichever is higher. The unit shall pay the excise duty in advance in lumpsum on 90% of the approved production capacity of beer either monthly on the first working day of every month or annually on the first working day of the financial year. In case the licensee fails to pay the excise duty in advance, then the fine of an amount equivalent to 100% of excise duty shall be charged on monthly proportionate basis. For the purpose of maximum retail price to compute the excise duty, the beer served in pitcher, mugs etc., should be converted to 650 ml. It is mandatory to have bar and restaurant licence to obtain a pub-brewery/microbrewery licence.
